Greetings Fellow Stewards,

"The Journey Continues" is our theme this year as we build on the momentum from the last regional Stewardship Conference held May 2014 in Garden Grove. You are invited to experience a day long, dynamic conference that promises to provide you with a wealth of inspiration and practical tools to revitalize your parish and promote your parish Stewardship journey!

We are excited to present this opportunity for you and your parish team to benefit from the wisdom and experience of nationally known and local speakers as well as to network with clergy and parish leaders from many parishes from the western region! Our exhibitors that are supporting our conference will also be on hand to share their expertise with you in the event their services may be of assistance to your parish.

We will begin our day with the Celebration of the Eucharist and then will gather for our Keynote Speaker, Father Andrew Kemberling, Pastor of St. Vincent de Paul Church in Denver, CO. We will then begin our sessions and we are very pleased to offer four tracks, one of which is being offered in Spanish for our valued Latino community.

Please take a moment to review the conference schedule below and our list of sessions and speakers for our conference. You will not want to miss this promising and motivational opportunity to re-imagine your parish!

With Gratitude, 2016 Region XI Stewardship Conference Team
